Football

- Adopting character and leadership development through sports practices, Football CCA aims to prepare players to play football well and with honour, and to be motivated to excel beyond the field as well.
- Weekly trainings are held on Mondays and Wednesdays.
- Other than training for technique, footballers also undergo physical fitness training and character development sessions during their weekly CCA sessions
- Achievements:
 - 2022 National School Games Quarter Finalist for the 'B' Division North Zone Football Championships.
 - National Inter-School Championship League 'B' Division, 2019 1st Runner Up
 - National Inter-School Championship League 'C' Division, 2019 Quarter Finalist

Reflection by Izz Haikal, Class 3B

“Football in Punggol Secondary school has been a wonderful experience. I’ve learnt to trust and work with my peers towards our goals. Football has taught me more than just techniques or skills. The journey of pain and trials has made us more resilient. PSS Football is not just a CCA but a brotherhood.”

Izz Haikal, ‘B’ division Captain

Reflection by Alsagoff, Class 1N1

“In a short span of almost a year, I’ve learnt the joy of hard work and teamwork on top of skills and techniques. I’ve gained confidence and became fitter. It’s not just a CCA but more of a second family to me.”

Alsagoff, Secondary 1 In-charge
