# Volleyball (Girls)

- Volleyball Girls' is dedicated to nurturing individuals to be responsible, disciplined team players.
- Weekly trainings are conducted on Mondays and Wednesdays.
- Our motivation lies in the passion and love for the game. The long strenuous hours spent on the court has developed perseverance and determination in the volleyballers. Results on the court have been priceless and dreams have been fulfilled.
- We will continue to exemplify this spirit of excellence in all that we do to strive to bring glory to the school.
- Recent achievements:
  - 'B' division North Zone 3rd (2021 and 2022)

# Reflection by Athena Wu, Class 2N1

“I have had a memorable experience being in Volleyball CCA. It started my passion for the sport. I have become more confident through the matches we play. I have learnt to be resilient. After all, we should continue to persevere and not give up when training sessions get tough.”

Athena Wu, ‘C’ division Captain

# Reflection by Shazlynnie, Class 3N1

“Volleyball has taught me to be more confident. When I was appointed to be a CCA leader, I was unsure if I could lead the team well. My coach, teachers and teammates would always encourage me, giving me the strength to do my very best. I would lead my team by shouting “PGSS, Ace Ace Ace” while running, spiking a good ball and whenever we won a point during a match. During difficult training sessions, we would always encourage each other to do our very best and not to give up so easily.

I enjoy being in Volleyball CCA.”
